September, 2019 _____ LeRoy Wilder, Editor

The Next Meeting: Our next regular meeting will be Tuesday, September 17, 2019 at the Cincinnati Air Conditioning Company, 2080 Northwest Drive, Cincinnati, Ohio. **We start the meeting at 19:00. Please note the time change**

June meeting recap: No new applications for membership were received. There were twenty five members and no guests at the meeting. In Paul's absence Howard read the Treasurer's report as of August 20, 2019. The checking balance is \$604.58 and total funds on hand are \$10,461.28. There was no income for the month. Expense was \$60.00 to Microbiz for website support. The Treasurers Report was approved. The minutes of the previous meeting were approved as read.

Howard Kuhnell asked about "reciprocity" mentioned in the July minutes. It was explained that it is an attempt to get better attendance at musters from surrounding Chapters. It was not a discussion of joint musters.

LeRoy Wilder mentioned that he made three attempts to communicate with Billy Goldfedder about speaking at our January, 2020 dinner. He suggested we might want to see who else is available. He said David Jones had mentioned he had some possibilities.

Mark Radtke said Chip Lytle had donated some PA speakers and cables to our group. This should allow us to extend our system at the muster.

Kyle Flynn said he spoke with someone with the Koorsen Fire & Security regarding their KASEY fire education program and possible attendance at our 2020 muster. He will follow up with them.

Regina Flynn asked if our meetings could start at 7:00 PM as this is the start time posted on our website. This will be discussed at the September meeting.

From the Editor: First let me apologize for not getting out a Joker since the July issue. This time was spent assisting my wife with the move of her mother from a patio home to assisted living. That has been accomplished and I am getting more comfortable my duties as SPAAMFAA's treasurer. The muster season is coming to an end for this year. Next month I will

start building the calendar for next year. If you have any pertinent events please send me the info and I will include it in the calendar. There are still a few events to attend. Plan to attend the F.A.R.M show this weekend. They help with our muster so let us support them.
