

a chapter of the Society for the Preservation and Appreciation of Antique Motorized Fire Apparatus in America

January, 2020 _____ LeRoy Wilder, Editor

The Next Meeting: Due to the dinner there will not be a January meeting. Our next regular meeting will be Tuesday, February 18, 2020 at the Cincinnati Air Conditioning Company, 2080 Northwest Drive, Cincinnati, Ohio. We start the meeting at 19:00 (7:00 PM)

December meeting recap: Kyle called the meeting to order at 19:00 hours. Howard read the minutes of the October and November meetings. The minutes were approved as read. Paul Tieman gave the Treasurers report. There was no income for the month. Bills paid were \$60.00 to Microbiz and \$63.95 for floral arrangement for Pat Tuemler. Checking \$204.88, Savings \$2,035.24, Certificate \$7,826.46. Total funds on hand \$10,066.58. No new bills were presented for payment. No new applications for membership were received. The Treasurers report was approved.

Mark Radtke said he is working on the flyer for our March flea market.

There was discussion about creating a picture wall of our members' apparatus in the meeting room at Cincinnati Air.

Howard Kuhnell spoke about the website maintained by Anita Ford. It is a national listing of fire related events. She does not charge to have your event listed and has maintained this website for years at her own expense. Howard made a motion to donate \$100.00 to Anita to help support this site. The motion was approved.

Fred Forker recently passed away. He was a Cincinnati Fireman and was known to many of our members. A motion was made and approved to donate \$100.00 to Hospice in his name.

Our June muster was discussed. It is the first Saturday in June which is the 6th, 2020. The time was established to be 9:00 AM to 2:00 PM. There was discussion of having trophies again along with dash plaques.

From the Editor: First, I hope everyone had Merry Christmas and a Happy and safe New Year. As we head into our flea market and muster be sure to tell your friends and family about these events. Plan to attend and also lend a hand. Many hands are needed to setup up, break down

and man the entrances. People need breaks and would like to shop what is for sale and see the apparatus on display.

If you look at the very last line of our preplanning section, you will find the address for Anita Ford's website. Take a look at it. I think you will be quite surprised at the amounts of listings.

Preplanning:

January 12, 2020 Open House Old Cincinnati 13 Quarters 2147 Central Avenue in Brighton 1:00 PM
